WE ARE ENGAGING IN A COMPREHENSIVE EXPANSION CAMPAIGN TO:

- Re-terrace the audience seating area, adding stairs between levels, and adding extra terraces.
- Add a lighted, handicapped-accessible path from the entryway into the audience seating area.
- Raise the grassy, lower stage area to enhance sight lines and bring the audience closer to the action.
- Complete the second floor of the main stage, adding a roof and storage bays to protect our sets, props and costumes from the elements.
- Build a new entry plaza to serve as a gateway to the theatre, a concession and merchandise shop, a rain shelter, and tourist information area.
